HOME

Welcome to Sparkles Home

For over a decade, Sparkles Home has inspired joy by bringing unique designs to the home décor market. Sparkles Home develops signature products from concept to stunning final design, and continues to evolve our bestselling collections. Customer favorites like the Madison and Montaigne Collections now include coordinating pieces for cohesive design solutions, and our flagship Luminous Collection continues to lead trends with new Shaped Pillows that offer whimsical designs for a fresh look throughout the year.

Inspiration for our collections comes from classic luxe styles reinterpreted for a modern feel. Patterns such as Gatsby and Lattice recall decadent old Hollywood glamour, adding timelessness to any home. Symmetrical and geometric patterns in our Fifth Avenue and Park Avenue Collections nod to classic Art Deco and Neoclassical motifs with eye-catching style. With a broad range of colors from blush to black and a variety of glass or resin rhinestone options, Sparkles Home elevates any décor with coordinating solutions for the whole home. Whether creating a cheerful table setting or adding elegant decorative pillows to the bedroom, Sparkles Home showcases your personal touches for inspired home design.

With an established foundation in the home décor market, Sparkles expanded its portfolio to include glam fashion by launching apparel brand Sparkles Studio in 2022. Sparkles Studio is a line of unique rhinestone apparel and footwear, offering full length and cropped bomber jackets as well as tees, tanks, heels and sneakers. When you want to stand out and be noticed, Sparkles Studio takes glam style to a new level for a fashion statement that turns heads in any crowd!

Check our websites for the latest product releases and updates. We thank you for supporting a small business, and we hope you love our sparkle!
